Most Wanted Car Club is currently sponsored by Bloomfield-Garfield Corporation (BGC), a distinguished 501(c)(3) non-profit organization. Since 1976, BGC has been dedicated to engaging community members in initiatives for physical revitalization, economic improvement, and enhanced well-being, with a focus on low-income individuals and families in Garfield and surrounding neighborhoods. BGC provides affordable housing, college and career readiness, employment assistance, emergency grants, and more.

As the holiday season approaches, we're thrilled to share news of our Holiday Drive. This year, we're collecting funds, gift cards, new winter coats, candy, and art supplies to support individuals and families facing financial hardships. Your contribution directly impacts our community, and by participating, businesses like yours demonstrate commitment to corporate social responsibility. If you decide to support, we'll acknowledge your contribution through our channels, including our website and social media.

The MWCC is on a mission to blend creativity, community, and cars, turning streets into accessible art with our 55+ members. As an extension of the Most Wanted Fine Art Gallery, we redefine the role of a car club, viewing our vehicles as canvases for artistic expression. Our diverse initiatives, including parades and art-related activities, enrich the lives of community members. A standout initiative is the "Saving Christmas" project, which provides gift cards, warm new coats and fostering creativity through art supplies and toys. In its inaugural year of 2014, Most Wanted Fine Art & other volunteers, secured gifts for 10,000 children & teens. Since then, the MWCC has supported various groups' holiday parties, enhancing their events with entertainment and giveaways to bolster their initiatives. Each organization typically benefits around 100 children each, and our collective impact grows with each contribution we receive.
